**Pre-requisites to Courses**

It is the Student's responsibility to have the proper pre-requisites to courses; they are listed in the MBA Brochure and on the course schedule. MGMT 5800: Strategy, Policy and Planning should be taken as part of your last 15 credits.

**Electives and Concentrations**

Students may take electives in any of the following areas to develop a concentration. A minimum of two electives comprises an area of concentration; however, some concentrations will require more than two electives or require specific classes in that area of concentration. Students can take up to nine credits of electives as Independent Studies. Independent Studies can range from work related projects at the student's respective company to participation in faculty research to consulting projects with UConn centers or institutes.

*Note:* Not all electives are available in all campuses. Please contact your primary campus to find out about electives and concentrations offered in that campus.

Available Concentrations: Finance, Health Care Management (*must take HSMG 5240 and HSMG 5243*), International Business (*interdepartmental. Must take MGMT 5640*) Management, Management of Technology (*interdepartmental*), Marketing & Real Estate.

**Elective Requirements**

Course Code	Course	Anticipated Term	Grade
